

Third Grade Summer Reading

Hello Soon to be Third Grader!

I am super excited that you will be entering 3rd grade next year. Please read all about your summer reading assignment below and do your best work!

Happy Reading!

Mrs. Nemic

1. All students entering 3rd grade are required to read Third Grade Angels by Jerry Spinelli and complete the attached book report. If you are reading this book independently and you are finding it a bit difficult, you are welcome to check if your local library has the audio version of the book for you to listen as you follow along, or read the book with your parent/ guardian this summer.

We will be discussing this book during the first or second week of school, so make sure you can answer questions about the main characters, setting, problem, and solution of the story. When you fill in your report, please write in complete sentences.

2. In 3rd grade I love to introduce different book series. In addition to your summer reading book, pick **two books** to read from a series of your choosing, OR you can choose from the series below. You do not need to complete a book report on these books.
 - A to Z Mysteries
 - Magic Tree House
 - Bad Kitty
 - Bad Guys
 - Dragon Masters
 - I Survived

3. I have attached a "Bookshelf" to keep track of your reading this summer. Any book you read, fill in the title on one of the books on the bookshelf. Bring this in during the first week of school! Feel free to color the books you read as well. I keep track of the books I read on my own bookshelf and we can compare them together!
