

**Stars in Service**  
**"Presents for Paws" Service Project**  
**November 16- December 14, 2017**

This month for Stars in Service first and fifth grade will focus on helping animals and pets. During the weeks of November 16-December 14 the school will have a pet supply drive to support The Animal House Project/Chester County Pet Food Pantry. The Animal House Project/Chester County Pet Food Bank mission is, "to help companion pets stay at home and out of animal shelters by providing donated pet food and pet care services to pet families in financial need." The organization provides services to families facing financial crisis in eastern Berks, Chester, and western Montgomery counties.

If you would like to donate any new or unused pet supplies, you may send your donation into your homeroom any day starting November 16th. There will be a collection bin set up in the classroom. Please remember that participation in the pet drive is voluntary.

Suggested donations for the Animal House Project/Chester County Food Pantry:

**Food**

- Wet Dog Food and Small Bags of Unopened Dry Dog Food
- Dry Cat Food
- Bird Food (Parrot, Parakeet, Cockatiel)
- Fish Food
- Guinea Pig, Hamster, Ferret Food
- Rabbit Food

**Pet Accessories**

- Flea/Tick Prevention
- Cat Litter, Litter Boxes and Accessories
- Water/Food Bowls
- Hamster/Small Animal Bedding
- Pet First Aid Products
- Sanitation products/Waste pick-up bags

**Please do not donate any dog treats!**

**Collect pet related coupons** for the pet food pantry for distribution to clients or to help purchase pet food/accessories. We will give the collected pet supplies to The Animal House Project, December 18th, during Stars in Service when The Animal House Project/Chester County Food Pantry and their "spokes-dog" Yoshi, come and talk to the students about their service work and organization.
