

This summer, along with our Summer Reading List, we are again offering Summer Skills review books for your purchase at the Reduced school rate. I call your attention, in particular, to the Summer Math Skills Sharpener because we will not be sending home Math packets this summer. We find that the Summer Skills review books cover *every* grade level concept taught thoroughly and in a more logical sequence that our putting together extra worksheets for completion. The level you order is for the level your student(s) has just completed. Using the Summer Skills review books 3 times per week for 10 weeks can make a significant, long-lasting academic difference. Please see the Parent Letter/Order Form Which you can complete and return to School with a check made payable to "Saint Elizabeth Parish School".

Orders must be returned to school with payment by Wednesday, May 9, 2018
